Roorkee, Uttarakhand, India 247667

EDUCATION

Indian Institute of Technology Roorkee

2020 – 2024

B.Tech, Computer Science | CGPA: 8.6 / 10

Relevant Coursework: Data Structures, Algorithms, DBMS, OS, CN, ML

Delhi Public School, New Delhi

2018 – 2020

Class XII – 95.4% (CBSE)

TECHNICAL SKILLS

Languages: Python, C++, Java, JavaScript, SQL, Bash

Frameworks: React.js, Node.js, Express, FastAPI, Django REST

Tools & Platforms: Git, Docker, Kubernetes, AWS EC2/S3, Linux

ML / AI: NumPy, Pandas, Scikit-learn, TensorFlow, HuggingFace

Databases: PostgreSQL, MongoDB, Redis, Elasticsearch

EXPERIENCE

Software Engineering Intern — Google, Hyderabad

May 2023 – July 2023

- Built a real-time log aggregation pipeline using Pub/Sub + BigQuery, reducing alert latency by 40%.
- Optimised SQL queries on 10M+ row tables; query time dropped from 8s to 1.2s.
- Wrote unit & integration tests (pytest) achieving 92% coverage on assigned modules.

Backend Developer Intern — Razorpay, Bangalore

Jan 2023 – Apr 2023

- Developed payment reconciliation microservice in FastAPI, handling 50k txns/day.
- Integrated Webhooks for real-time payment status updates with <200ms p99 latency.

PERSONAL PROJECTS

CodeCollab — Real-time Collaborative Code Editor [React, Node, Socket.IO, Docker]

- Supports simultaneous editing by 50+ users with OT-based conflict resolution.
- Containerised with Docker Compose; deployed on AWS EC2 with Nginx reverse proxy.

SentiNews — News Sentiment Analyser [Python, HuggingFace, FastAPI, PostgreSQL]

- Scrapes 800+ articles/day; classifies sentiment with fine-tuned BERT (89% F1).
- REST API consumed by a React dashboard showing topic trends over time.

ACHIEVEMENTS & CERTIFICATIONS

- Rank 47 / 12,000+ in CodeChef Long Challenge (Div. 2), Feb 2023
- Google Cloud Professional Data Engineer Certification — GCP, 2023
- Winner — HackIITR 2022 (Best ML Hack out of 180 teams)
- LeetCode: 1800+ rating, 600+ problems solved | Codeforces: Expert (1900)
- AWS Certified Solutions Architect — Associate, Amazon Web Services, 2022
